

## FACULTY POSITION POSTING FORM

Rochester Institute of Technology, College of NTID, 52 Lomb Memorial Drive, Rochester, NY 14623

**JOB TITLE:** Instructional/Support Faculty

PC#: 0112

IRC# 30317

**DEPARTMENT:** Department of Science & Mathematics

**JOB CATEGORY:** Administrative Faculty  
Faculty, Tenure Track  
Faculty, Non- Tenure Track

**STARTING DATE:** December 1, 2009, or negotiable

### DETAILED DESCRIPTION:

The Department of Science and Mathematics at NTID is seeking to fill a full-time 9.5-month lecturer/instructor position.

The successful candidate will be able to: Develop and present lectures and laboratory experiences in instrumental analysis, general chemistry, chemical technology, and laboratory applications. Maintain laboratory instrumentation related to the above courses (Spectroscopy, chromatography, and electro-analytical instrumentation), and basic laboratory equipment. Provide formal and informal advising and mentoring to students. Provide academic support in the form of instruction or tutoring, both group and individual to deaf and hard-of-hearing students registered in chemistry courses in the RIT College of Science.

We are seeking individuals who are committed to RIT's core values, honor code, and statement of diversity.

### THE COLLEGE:

National Technical Institute for the Deaf

NTID, one of the eight colleges of RIT, is the world's largest technological college serving deaf and hard of hearing students. Created by Congress and funded by the U.S. Department of Education, it represents the world's first effort to educate large numbers of deaf students within a college campus planned primarily for hearing students. Together with 15,000 full and part-time hearing students, over 1,300 college-age deaf students from all 50 states and abroad study and reside on the campus of the Rochester Institute of Technology. NTID is committed to creating a climate that fosters the success of every student and employee by appreciating the unique contributions that each person makes to the educational process based on their ethnic, cultural, linguistic and gender-related knowledge and experiences. For more information about NTID at RIT visit <http://www.ntid.rit.edu> <<http://www.ntid.rit.edu>> .

RIT attracts students from all 50 states and more than 90 countries. RIT has been recognized on *The Chronicle of Higher Education's* inaugural "Great Colleges to Work For" list. RIT was cited in six different categories: Professional/Career Development Program, Compensation and Benefits, Tuition Reimbursement, 403b or 401k (retirement plan), Disability Insurance and Life Insurance.

The Rochester area has a diverse population which includes African Americans (38% of the city and 14% of Monroe County), and Latin Americans (13% of the city and 5% of the county). In addition, more than 7% of the population is foreign-born. It is also home to the largest Deaf community per capita in the United States. Rochester is ranked 7th among the "10 Best Cities to Raise a Family" by Child Magazine, 2003, and 8th among 200 metro areas in childcare for "Best Cities for Women 2002" by Ladies Home Journal. In 2007, Rochester was ranked 6th for "Best Places to Live in America" by Places Rated Almanac out of 379 metropolitan areas.

### QUALIFICATIONS:

#### REQUIRED/MINIMUM QUALIFICATIONS:

- BS in chemistry, applied chemistry, chemical technology, or chemical engineering.
- Significant experience in a laboratory setting.
- Familiarity with set-up, calibration, maintenance and operation of analytical instrumentation.
- Evidence of being highly motivated and having the potential to inspire students.
- Ability to successfully cultivate professional contacts in the chemical and laboratory science fields for the purpose of

establishing student cooperative work experiences.

**PREFERRED:**

- MS or earned doctorate in appropriate field.
- Teaching experience.
- Industrial experience.
- Sign language skills\*
- Ability to contribute in meaningful ways to the college's continuing commitment to cultural diversity, pluralism, and individual differences strongly preferred

\*If the successful candidate does not possess level sign skills at the time of hire, the college will provide opportunities for intensive sign language training and on-going skill development and improvement. Continued employment is dependent upon achievement of an appropriate level of sign language skill as demonstrated on the Sign Language Proficiency Interview by the end of the second year of employment.

**SALARY:** Rank and salary commensurate with qualifications. Excellent benefits.

**APPLICATION PROCEDURES:**

All applicants should apply online at <https://mycareer.rit.edu> <<https://mycareer.rit.edu>> . Search for IRC#30317. Applications should include cover letter detailing your technical, teaching and scholarship qualifications and achievements; a vita; and the names, addresses and phone numbers for three references. All applicants must be legally eligible to work in the United States.

You can contact the search committee with questions on the position at:

Joan Carr, Search Committee Chairperson

NTID Science & Mathematics
